STATION
KROX
The Voice of Agriculture

Owned and Operated By
CROOKSTON BROADCASTING COMPANY
Crookston, Minnesota

April 28, 1948

Dear Mr. McGuire,

I am happy indeed to verify your report of reception of our station, especially since you are so far south of us.

O,,r transmitter is a Raytheon using a 220 foot vertical antenna and running 1000 Watts. Studio equipment is also Raytheon.

The reports we have received from listeners have been invaluable to us in getting on the air.

Thanks and-- good listening.

William J. Kiewel
Chief Eng.
